Block Wall Street LLC: Operating Agreement and Ownership Transfer

Oct 22, 2026

Part 1. Operating Agreement

This Operating Agreement of Block Wall Street LLC (the "Company"), an Illinois limited liability company (File No. 13548676, filed July 26, 2023), is made effective on _____, 2026, by Tawanda Jennings and Dionadrea Buford (each a "Member"). It replaces any earlier oral or written understanding about who owns or runs the Company.

1. Members and ownership

1.1 The Members and their percentage interests are:

Member	Percentage interest
Tawanda Jennings	51%
Dionadrea Buford	49%
Total	**100%**

1.2 Percentage interests control each Member's share of profits, losses, distributions and votes, unless this Agreement says otherwise.

1.3 The Company has no other members. A new member may be admitted only under Section 5.

2. Purpose and name

The Company exists to provide cryptocurrency and digital-asset education, community events, courses, content and related services, and any other lawful business the Members approve. Its principal office is in Chicago, Illinois. The Company's registered agent and office are as shown on the most recent filing with the Illinois Secretary of State.

3. Management and roles

3.1 **Manager-managed.** The Company is managed by its Managers. The initial Managers are Tawanda Jennings and Dionadrea Buford. Dionadrea Buford remains a Manager and keeps her current roles.

3.2 **Roles.** Dionadrea Buford continues to run the Company's day-to-day finances and administration, including bookkeeping, paying bills, and keeping the Company's records. Tawanda Jennings leads ownership-level decisions under Section 4 and has the tie-break in 3.4. Either Manager's role may be changed only by written agreement of both Members. Additional roles and titles are listed on Schedule A.

3.3 **Day-to-day decisions.** Each Manager may act alone on ordinary business under a limit of $1,000 per transaction. Anything larger needs both Managers to agree in writing, which includes email or text.

3.4 **Deadlock between Managers.** If the Managers disagree on a decision outside Section 4, the Member holding the larger percentage interest decides, except that this tie-break may not be used on any Section 4 decision or to change Dionadrea Buford's role or bank account access.

3.5 **Bank accounts.** The Company's current bank account stays open in the Company's name, and Dionadrea Buford continues to maintain it as signer and account manager. Tawanda Jennings is added as a signer with full online access and can see statements at any time. Opening, closing or moving an account, or adding or removing a signer, needs both Members' written approval. Personal funds and Company funds are never mixed.

3.6 **Pay.** A Manager or Member is paid only for services, at a reasonable rate that both Members approve in writing. Being a Member does not by itself entitle anyone to a salary.

3.7 **Duties.** Managers act in good faith, in the Company's best interest, and keep accurate books. A Manager is not personally liable for Company debts simply because of that role.

4. Decisions that need both Members

The Company may not do any of the following without the written approval of both Members, even though one Member holds a majority:

- amend this Agreement or the Articles of Organization;
- admit a new member, or issue or change any interest;
- sell, merge, or dissolve the Company, or sell most of its assets;
- borrow or guarantee more than $2,500;

- remove or replace a Manager, or change a Manager's role or bank account access;
- change the Company's tax classification;
- make any agreement with a Member, a Manager, or a related organization, including the nonprofit Building 4 Our Future and Sun School of Satoshi LLC. Any such agreement must be in writing, at a fair market price, and signed by the Member who has no personal interest in it.

5. Transfers of interests

5.1 No Member may sell, give, pledge or otherwise transfer all or part of an interest without the other Member's written consent, except as 5.3 allows.

5.2 **Right of first refusal.** A Member who wants to sell must first offer the interest to the other Member on the same terms. The other Member has 30 days to accept.

5.3 **Death or incapacity.** On a Member's death or incapacity, the interest passes to the person named in a signed beneficiary form kept with the Company records. That person receives the economic rights (profits and distributions) and may become a voting member only if the remaining Member consents in writing.

5.4 Every transfer must be written and signed, and Schedule A must be updated the same day.

6. Money

6.1 **Contributions.** Each Member's starting contribution is listed on Schedule A. No Member must add more money, and any extra contribution needs both Members' approval.

6.2 **Distributions.** After expenses, taxes owed and a reasonable cash reserve, the Managers distribute available cash to the Members in proportion to their percentage interests. Distributions are made at least once a year if cash allows.

6.3 **Tax treatment.** Unless the Members agree otherwise, the Company is taxed as a partnership, and profits and losses follow percentage interests. The Company will also give each Member the tax forms (such as a Schedule K-1) in time for filing.

6.4 **Records.** The Company keeps its books, bank statements, tax returns and this Agreement at its principal office or in a shared digital folder open to both Members.

7. Meetings and information

The Members meet at least once a year to review finances and plans. A Member may inspect the Company's books and records at any reasonable time with notice. Any decision may be made without a meeting if it is recorded in writing and signed or confirmed by email.

8. Related organizations

The Company is one of several organizations under the New Black Wall Street Initiative, which is a shared mission and not a legal entity. The Company stays legally separate from Sun School of Satoshi LLC and from Building 4 Our Future, a nonprofit. It does not guarantee their debts, hold their money, or direct their governing boards. Anything the Company provides to them, such as staff time, content or space, is documented in a written agreement at fair value under Section 4.

9. Leaving the Company and ending it

9.1 A Member who wants to leave must give 60 days' written notice and follow Section 5.

9.2 The Company ends only if both Members agree in writing, a court orders it, or it has no members. After paying debts and expenses, remaining assets are distributed by percentage interest.

10. Disputes and general terms

10.1 The Members will first try to settle any dispute by talking, then by mediation in Cook County, Illinois, before going to court.

10.2 This Agreement is governed by Illinois law. It is the whole agreement among the Members about the Company and can be changed only by a written amendment signed by both Members.

10.3 If any part is found unenforceable, the rest stays in effect. Signatures may be on paper or electronic, and copies count as originals.

Note on the filed form. The Articles were filed on the series-LLC form (LLC-5.5(S)), but the Company has not created any series. It operates as a single company and this Agreement covers it as one entity. No series may be created unless both Members approve it in writing under Section 4 and the required Illinois filings are made.

Part 2. Ownership Transfer

These papers move 51% of Block Wall Street LLC from Dionadrea Buford to Tawanda Jennings. Dionadrea Buford keeps 49%, stays a Manager, and keeps her roles and the Company's current bank account. Sign Part 2 together with Part 1.

A. Assignment of Membership Interest

1. **Transfer.** Dionadrea Buford (the "Assignor") assigns to Tawanda Jennings (the "Assignee") a 51% membership interest in Block Wall Street LLC (the "Company"), including 51% of all profits, losses, distributions, voting rights and other rights that come with it, effective _____, 2026.
2. **What stays.** The Assignor keeps a 49% interest and continues as a Member and Manager.

3. **Payment.** In return, the Assignee pays nothing. This is a gift of the interest from the Assignor to the Assignee, made voluntarily and without any promise of payment now or later.
4. **Promises by the Assignor.** The Assignor owns the interest free of any lien or claim by anyone else, has the right to transfer it, and has not promised any part of it to another person.
5. **Promises by the Assignee.** The Assignee accepts the interest, agrees to follow the Operating Agreement signed with this Assignment, and understands that the interest has not been registered under securities laws and is taken for investment, not resale.
6. **Debts.** Each party remains responsible for any personal debt or tax of their own. The Company's existing debts stay with the Company.
7. **Other signers.** The people listed as Managers on the original Articles, Jamal Gordon El and Amir Hodari El, will each sign a separate written resignation as a Manager (see Section E), so that Tawanda Jennings and Dionadrea Buford are the only Managers.
8. **Governing law.** Illinois law governs this Assignment. It can be changed only in writing signed by both parties.

Notes before signing

- No Illinois filing records who owns an LLC. The signed Assignment and Operating Agreement are the proof of ownership, so keep them safe.
- The original Articles list Jamal Gordon El and Amir Hodari El as Managers and Dionadrea Buford as organizer and registered agent. Confirm who the current Managers are, then update the state record so it matches Section 3 of the Operating Agreement.
- An Illinois business attorney should review these papers before signing, especially the tax effects of gifting the 51% interest.

E. Resignation as Manager

One copy for each person named in the original Articles of Organization: Jamal Gordon El and Amir Hodari El. Each signs their own copy.

I, _____, resign as a Manager of Block Wall Street LLC, effective _____, 2026. I understand that this ends my authority to act for the Company as a Manager. I keep any rights I may have as a Member, if any, until they are resolved in writing, and I confirm that I am not owed any pay or other money by the Company for serving as a Manager, except: _____.

Amir Hodari El	_____	_____

After signing, the Company updates the Illinois Secretary of State record so the Managers listed match the Operating Agreement. Keep the signed resignations with the Company records.
